## WORK EXPERIENCE

### JP Morgan Chase

**Tampa, FL**

*Corporate Analyst Development Program (CADP) – NA Technical Implementations*

June 2022 – August 2022

- Mapped workforce headcount by teams to better allocate staff for maximum efficiency.
- Updated the weekly Teams' Health Status deck via collaboration with multiple teams and business units.
- Chaired a working group to revise and recertify an existing procedure.
- Informed employees of any outstanding QSA's against them, and monitored their status through to completion.
- Consolidated information from multiple SharePoint sites into an Excel spreadsheet to be used as a reference.

### American Airlines

**Dallas-Fort Worth, TX**

*Financial Analyst Intern - Division Finance, Tech Ops*

June 2021 – August 2021

- Developed a model to expense the 140 newly acquired engines, plus spares, with the purchase of 70 A321-Neo aircraft.
- Collaborated with multiple departments to acquire data.
- Produced a model that was in accordance with the new accounting treatment developed by corporate accounting.
- Presented to the finalized deliverable to the finance directors and other D+ leadership.
- Forecasted a total sum of roughly \$1.9B to expense over the course of 20 years across all engine maintenance contracts.

### Mount Sinai Medical Center

**Miami, FL**

*Emergency Department Tech 2*

May 2019 – October 2021

- Promoted to Preceptor after six months on the job and oversaw ER protocol training of 10+ newly hired technicians.
- Evaluated patients' chief complaints to determine their acuity and treatment level for an average of 200 daily patients.
- Multi-tasked between an average of ten patients of varying acuity levels at a time while assigned to a pod. Remained focused while maintaining HIPAA compliance between each patient.

### Phoenician Investment Fund

**Miami, FL**

*Vice President - Global Capital Markets*

August 2020 – August 2022

- Organized weekly "Market Talks" by researching recent market trends and economic data for various asset classes such as equities and fixed income.
- Engaged in learning workshops covering advanced financial conceptions such as valuation methodologies, credit spreads, multiples, and portfolio management.
- Counseled new members on their resumes and cover letters, as well as assisted with critiquing mock interviews.

### United States Navy

**Charleston, SC**

*Electronics Technician (Nuclear)*

December 2011 – August 2014

- Upheld the highest standards of professionalism and integrity in and out of uniform.
- Maintained classified material properly in accordance with their appropriate clearance levels.

*Section Leader: Navy Graduate Hold*

- Acted as a liaison for 1<sup>st</sup> Lieutenant Division of 40 sailors, ages 18 – 26, between the upper chain of command regarding administrative and conflict resolution issues.
